Want to make a difference in the youth community... join Peer Court!

Beaverton Youth Peer Court is a real court for first time juvenile offenders run almost entirely by youth ages 12-17. Youth attorneys represent and prosecute defendants at trial and youth jurors decide on a sentence for the defendants. Court cases may include Theft, Criminal Mischief, Harassment or Minor in Possession of Marijuana, Alcohol or Tobacco.

Peer Court helps lower the number of cases tried in Juvenile Court, and defendants gain respect for the law when held accountable for their actions by their peers.
